

# VOLONIUM

**“ NEW INNINGS OF SUCCESS THROUGH INNOVATION IN  
HEALTHCARE”**

NUTRACEUTICAL  
PRODUCTS

# 1. BARMAX [IMMUNITY ENHANCEMENT POWDER]

■ In the ever-changing terrain of viral infections, amid the consistently shifting global environmental conditions, **VOLONIUM PHARMA** assumes a leading role by introducing our first-ever Sugar-free Nutraceutical product “**BARMAX.**”

## ■ BENEFITS:

- Supports the immune system
- Anti-viral as well as Antibacterial effect
- Lowers Blood Pressure
- Facilitates mucus expulsion by enhancing cough productivity
- Useful in chronic obstructive pulmonary disease [COPD]
- Useful in many respiratory diseases
- Relives Pain in joints to much extent with continuous use
- It enhances bone strength
- Sharpens focus and memory
- Support Heart Health
- Sugar-free [safe for Diabetic Patients]

## HIGH-QUALITY INGREDIENTS

- **Astragalus:** Supports the immune system, prevents colds, lowers blood pressure, treats diabetes, and protects the liver. Antibacterial, anti-inflammatory, aids skin wound care.
- **Mullein Leaf:** Facilitates mucus expulsion by enhancing cough productivity, aiding in clearing chest and throat congestion.
- **Ashwagandha:** Alleviates stress and anxiety, regulates blood sugar and fat levels, sharpens focus and memory, and supports heart health.
- **Stevia:** Stevia, 200-400 times sweeter than table sugar, is a non-nutritive sweetener devoid of carbohydrates, calories, or artificial ingredients.

## 2. V-COL CHEWABLE TABLET [RELIEVES COUGH AND COLD]

■ Introducing our advanced cough and cold-treating tablet, a breakthrough in respiratory health. Specially formulated with a synergistic blend of ingredients this chewable tablet is designed to provide proactive defense against common respiratory irritants. With an anti-drowsy formula, this tablet seamlessly integrates into our daily routine. Trust in our commitment to your well-being as we introduce a new standard in cough prevention and cure.

### ■ BENEFITS:

- Cures Sore Throat
- Relief of bronchoconstriction
- Potentially Suppresses Coughing
- Cures Cold
- Loosen phlegm
- Facilitates relaxation of bronchial muscles
- Enhances airway mucus hydration
- Promotes Clearance and expectoration

## HIGH-QUALITY INGREDIENTS

- **Menthol:** It is an anti-tussive compound, that potentially suppresses coughing. Its effects may involve respiratory tract secretion modulation, increased mucosal blood flow, relief of bronchoconstriction, and influence on cough-initiating sensory neuronal pathways.
- **Oil Eucalyptus:** Loosen phlegm.
- **Oil Peppermint:** Facilitates relaxation of bronchial muscles, aiding in the relief of respiratory discomfort.
- **Mannitol:** Enhances airway mucus hydration, promoting more effective clearance and expectoration.

### 3. VOLBON [ COMPLETE BONE PROTECTION]

■ Unveiling our bone strength-enhancing powder—a powerful formulation crafted with the power of cholecalciferol and Acacia Arabica to fortify your skeletal foundation. Carefully crafted for optimal absorption, it is designed to promote bone health, enhance minerals, and contribute to overall well-being. Embrace a lifestyle of vitality with our bone strength-enhancing powder, where the fusion of science and nature creates a potent elixir for robust skeletal resilience.

#### BENEFITS:

- Treats and prevents Vitamin D Deficiency
- Treat Calcium deficiency
- Used as supportive Therapy for osteoporosis
- Used as a supportive Therapy for Arthritis
- Promotes the consolidation and maintenance of bone mass

## HIGH-QUALITY INGREDIENTS

- Calcium Citrate Maleate: Promotes the consolidation and maintenance of bone mass.
- Acacia Arabica Seed Powder: Exerts a substantial positive influence on osteogenesis and inhibits osteoclastogenesis, suggesting potential development as a therapy for osteoporosis.
- Cholecalciferol: Aids in the absorption of dietary calcium and, in conjunction with calcium, plays a protective role against osteoporosis in older adults.

## 4. VOLOPRO [ VEGAN PROTEIN POWDER]

This 100% plant-based protein formula is designed for muscle growth, recovery, endurance, and digestion while being free from dairy, soy, and artificial additives.

Ingredient	Benefits
Pea Protein Isolate (85%)	High-quality plant protein, rich in BCAAs
Sprouted Mung Protein (80%)	Easy to digest, rich in lysine
